ПРАВИЛО

Past Simple: -ed, вторая форма и did

Правильные глаголы (regular verbs) получают **-ed**: *work - worked*, *live - lived*, *stop - stopped*, *study - studied*.

Неправильные глаголы (irregular verbs) берут вторую форму (V2): *go - went*, *see - saw*, *buy - bought*.

	Конструкция	Пример
+	подлежащее + V2	She called me.
-	подлежащее + didn't + глагол	She didn't call me.
?	(Where/Why...) + did + подлежащее + глагол	Why did she call?

После *did* и *didn't* глагол стоит в начальной форме: *Did you see...?*, а не *Did you saw...?* Вопрос к подлежащему строят без *did*: *Who called you?*
